Sacramento State Faculty
Dr. Anna Baynes

Contact Information

Name: Dr. Anna Baynes
Title: Professor
Office Location: RVR 3004
Email: abaynes@ecs.csus.edu
Office Phone: 916-278-7947
Mailing Address: 6000 J Street

Research Interests:

- Data Visualization / Data Analytics
- Artificial Intelligence (AI)
- Machine Learning & Deep Learning

Courses:

CSC 130: Data Structures and Algorithms
CSC 238: Human-Computer Interface Design
CSC 299: Special Problems

Acceptance Capacity:

10/10

Available Slots:

8/10

Expertise:

Baynes joined Sacramento State's Department of Computer Science in 2017, with a specialization in data visualization. She has also taught at California State University, San Jose State and University of Washington, Seattle. Before Sac State, she was a software developer in a big data and analytics group at IBM. Baynes has used her interest in data analytics and visualization to improve student learning. She was also selected for a National Security Internship Fellowship at the Pacific Northwest National Laboratory for the U.S. Energy Department, and there she produced "a visual analytic discovery tool which analysts can use to uncover details in their large complex networks."
